

Iredell Christian Ministries (ICM) is a crisis ministry that reaches out across Iredell County. Six to seven hundred families a month come to our doors for assistance, needing food to fill an empty table, funds to prevent a loss of electricity, or rent assistance to keep a roof over their heads. These individuals are our "invisible neighbors" - invisible neighbors whose lives are in chaos because of job losses and lack of income. If you believe in the concept of "Do unto Others.." then you may want to join many other Iredell citizens who have become *Friends of ICM* by giving as little as \$10 per month to help those in crisis experience a community that says "What happens to you makes a difference to us."

I want to become a "Friend of ICM" to help make a difference in the community.
